Report: Stationery items distribution drive at adopted schools under UBA

As part of the Unnat Bharat Abhiyan (UBA), the institution has initiated a stationery distribution drive aimed at providing essential educational material to students belonging to economically weaker families. The UBA's core mission is to enhance the quality of life in rural India, with a strong focus on education. This initiative ensures that students have access to the necessary tools for their academic journey.

The primary goal of this initiative is to equip students from economically disadvantaged backgrounds with the basic stationery

required for their studies. By distributing essential items like notebooks, pens, pencils, erasers etc, we aim to reduce educational disparities in these communities.
