NURTURING THE EARTH, FEEDING THE WORLD

On 29/08/2024 Ansar womens' college the NSS volunteers of unit 137 went out with NS coordinator Mrs. Haseena and assistant coordinator M.s Aswathy and with Mrs. Hyrunnisa to visit farmers and honor them. Our farmers are an important part of our society by providing us with essential edibles that is a necessity in bringing up a healthy future. The vegetables and grains that we have piled up on our plates come with a story of their own. From milk to granules the mode of farming and production of essential nutrients have been trust upon this field of workers called, farmers.

CHILDREN'S DAY

On 14/November/2024, the Ansar Women's College Extension Cell held a Children's Day celebration at a nearby orphanage and ran a photography awareness campaign. The purpose of the event was to raise awareness about the ethics and art of photography while simultaneously making the kids happy. Through entertaining games, activities, and a mini Children's Day celebration, the college team interacted with the kids. In addition, a photography class was held to teach participants about ethical photography, which includes how to take meaningful pictures while honouring consent and privacy. The children's creativity and comprehension of photography were both enhanced by the well-received event. The program encouraged civic responsibility and artistic expression while fortifying the ties between the college and the neighbourhood.
