Unnat Bharat Abhiyan

Annual Activity Report: 2024-25

The Ministry of Education (MoE), Government of India, has launched the program of Unnat Bharat Abhiyan (UBA), a national program with the vision to involve the professional and other higher educational institutions of the country for the sustainable development of villages. The college selected five villages from Wardha taluka i.e. Ganeshpur, Borgaon (Sawali), Peth (Anji Mothi), Pavnur and Majra (Amji) under Unnat Bharat Abhiyan during 2024-25. UBA team along with UBA volunteers conducted village survey, household survey, focus group discussion in five villages. Initially UBA Team identified different rural development activities in the areas of Water conservation, Agriculture, human health, veterinary animal treatment, soil health, environment awareness, cyber security, etc. The college received Seed Money of Rs. 50,000/- on 18/01/2024 from UBA Office, NCI, Ministry of Education, GoI, New Delhi. The seed money properly utilized for different rural development activities in five selected villages. The UBA cell also formed for smooth organization of different rural development activities with active participation of faculty members and UBA student volunteers.

Health Check-up Camp at Borgaon (Sawali)

Unnat Bharat Abhiyan conducted Health Check-up Camp for villagers and Students of Z.P. Primary School, Borgaon (Sawali) at Borgaon (Sawali) Tq. Dist. Wardha on 26/02/2024. The expert team of doctors for health check-up was Dr. Devayani Vanjari, Dr. Mrunal Pidurkar, Mrs. Nalini Ghogale, Shri. Atul Katarkar and Shri. Dinesh Dharpure from Kasturba Rural Health Training Centre, Anji (Mothi). BP, Sugar, Anemia, weight and general checkup of 50 villagers and Height, Weight, and hygiene check-up of 22 students of Z.P. Primary School had been carried out with providing proper suggestions on health. Villagers expressed that such type of activities need to be conducted in future also. Mrs. Pranali More Sarapanch, Borgaon (Sawali) Grampanchayat actively cooperated in organizing this health camp. Dr. R.R.Chaudhari, Dr.S.M.Pawar and Prof.Akash Waranje and students Shri. Anup Malgam, Shri. Mahesh Sangatsaheb, Ku. Payal Dhurve and Ku. Payal Dandare made great efforts in organizing this health check-up camp. The

organizers expressed their sincere thanks to villagers, Sarpanch and the team of doctors for their kind cooperation.

Health Check-up Camp at Peth (Anji Mothi)

Unnat Bharat Abhiyan conducted Health Check-up Camp for villagers and Students of Z.P. Primary School, Peth (Anji Mothi) at Borgaon (Sawali) Tq. Dist. Wardha on 28/02/2024. Dr.R.R.Chaudhari coordinated the camp as per the guidance of Principal Dr. A. B. Shendre. The expert team of doctors for health check-up was Dr. Devayani Vanjari, Dr. Navin K., Dr. Shayan Mukharji, Mrs. Nalini Ghogale, Mrs. Sarika Rajurkar and Shri. Dinesh Dharpure from Kasturba Rural Health Training Centre, Anji (Mothi). BP, Sugar, Anemia, weight and general checkup of 44 villagers and Height, Weight, hygiene check-up of 16 students of Z.P. Primary School had been carried out with providing proper suggestions on health. Villagers expressed that such type of activities need to be conducted in future also. Shri Jagadish Maske Up-sarpanch, Peth (Anji Mothi) Gram panchayat actively cooperated in organizing this health camp. Dr. R. R. Chaudhari, Dr.S.M.Pawar, Prof. Akash Waranje and students Shri. Anup Malgam, Shri. Mahesh Sangatsaheb, Ku. Payal Dhurve and Ku. Payal Dandare made great efforts in organizing this health check-up camp. The organizers expressed their sincere thanks to villagers, Sarpanch and team of doctors for their kind cooperation.

Technical Guidance on Sesamum Crop Cultivation at Borgaon (Sawali)

Unnat Bharat Abhiyan organized a program on Technical Guidance on Sesamum Crop Cultivation at Borgaon (Sawali) at Borgaon (Sawali) Tq. Dist. Wardha on 05/03/2024. Dr.R.R.Chaudhari coordinated the camp as per the guidance of Principal Dr. A. B. Shendre. The discussion was held with Sarpanch that most of the farmers growing sesamum crop and there is a need to provide technical guidance on sesamum cultivation. Dr. R. R. Chaudhari welcomed the farmers as well as guest speaker and introduced the expert Prof. Akash Levade, Assistant Professor, Bajaj College of Agriculture, Pipri-Wardha. Prof. Akash Levade guided the farmers on cultivation of Sesamum crop. He explained land preparation, variety of seeds, sowing method, intercultural operations, fertilizer application, insecticide and weedicide application, different insects and pest attacks, harvesting etc. Farmers asked their queries regarding the quantity of fertilizer application, method of fertilizer application, quantity and brand of insecticide and weedicide application. Prof.Akash Levade satisfied the farmers with their queries. Farmers expressed that technical information on Sesamum crop production provided under Unnat Bharat Abhiyan was very valuable and informative. Such type of programs must be organized in future by the farmers. The

Sarpanch, members and villagers cooperated in organization of the program. Total 33 farmers participated in the program. Dr. R. R. Chaudhari expressed a vote of thanks. Dr. R. R. Chaudhari coordinated the program. The faculty members Dr. R. R. Chaudhari, Dr. S. M. Pawar, Prof. Akash Waranje and students Shri. Vaibhav Chavan and Shri. Mahesh Sangatsaheb has made a lot of efforts in the successful organization of the program.

Technical Guidance program on Sesamum Crop Cultivation at Peth- Anji (Mothi)

Unnat Bharat Abhiyan organized a Technical Guidance program on Sesamum Crop Cultivation at Peth-Anji (Mothi) Tq. Dist. Wardha on 06/03/2024. The program was organized under the leadership of Principal Dr. A. B. Shendre and coordinated by Dr. R. R. Chaudhari. The discussion was held with the villagers and Sarpanch during the health camp organized at Peth-Anji (Mothi) on 28/02/2024 that most of the farmers growing sesamum crop and there is a need to provide technical guidance on sesamum cultivation. Therefore, the Technical Guidance program on Sesamum Crop Cultivation was organized at Peth-Anji (Mothi). Dr R. R. Chaudhari welcomed the farmers as well as the Resource person. Prof. Akash Levade, Assistant Professor, Bajaj College of Agriculture, Pipri-Wardha guided the farmers on cultivation of Sesamum crop. He explained different aspects in simple way as land preparation, variety of seed, sowing method, intercultural operations, fertilizer application, insecticide and weedicide application, different insects and pest attacks, harvesting etc. Farmers asked their queries regarding the quantity of fertilizer application, method of fertilizer application, quantity of insecticide and weedicide application. Prof. Akash Levade discussed and resolved the farmers' queries. Farmers were happy with technical information shared on Sesamum crop production under Unnat Bharat Abhiyan. Farmers expressed that such type of programs must be organized in future. The sarpanch, members and villagers cooperated in organization of the program. Total 22 farmers participated in the program. Dr.R.R.Chaudhari expressed a vote of thanks. The faculty members Dr. R. R. Chaudhari, Dr.S.M.Pawar, Prof. Akash Waranje and students Shri. Vaibhav Chavan and Shri. Mahesh Sangatsaheb has made a lot of efforts in the successful organization of the program.

Health Check-up Camp at Ganeshpur village

Unnat Bharat Abhiyan conducted Health Check-up Camp for village women and Students of Z.P. Primary School, Ganeshpur at Ganeshpur Tq. Dist. Wardha on 18/10/2024. The expert team of doctors for health check-up was Dr. Shubham Wang, Jaypraksh More, Mrs. Nalini Ghogale, Mrs. Sarika E. Rajurkar and Shri. Mrs. Rajni R. Bele from Kasturba Rural Health Training Centre (MGIMS, Sewagram), Anji (Mothi). BP, Sugar, Anemia, weight and general checkup of 52

villagers and Height, Weight, hygiene check-up of 25 students of Z.P. Primary School had been carried out with providing proper suggestions on health. Village women expressed that such type of activities need to conduct in future also. Shri. Manoj Waghade, Shri. Khushal Yeleji, actively cooperated in organizing this health camp. Dr. R. R. Chaudhari, Prof. Akash Waranje and students Ku. Payal Dhurve, Amit Chaudhari, Achal Waghade, Ku. Mohini Botkule, Shri. Pratik Tamgadge, Ku. Sejal Khadatkar, Shri. Rashish Shambharkar, Shri. Lalit Madavi, Shri. Kunal Sarate taken great efforts in organizing this health check-up camp. The organizers expressed their sincere thanks to villagers, Gramsevak and team of doctors for their kind cooperation.

Medicines distribution to anaemic patients through UBA volunteers under the guidance of Doctors

The anaemic female patients identified during the camp. The UBA cell had decided to provide medicines to anaemic patients of Ganelshpur village. The doctors gave training to UBA volunteers on distribution of medicines to anaemic patients. Therefore, UBA volunteers followed the schedule as every day they go to home of anaemic patients and give them medicines. The anaemic patients expressed that very good service provided by UBA volunteers to them. After 7 to 8 months second health camp will be organized to check the improvement in anaemic patients.

Tree Plantation under Unnat Bharat Abhiyan in five villages

Unnat Bharat Abhiyan conducted the Tree Plantation Program in five selected villages i.e. Ganeshpur, Borgaon (Sawali), Peth (Anji Mothi), Pavnur and Majra (Amji). UBA conducted a tree plantation program in all five villages on the occasion of Independence Day (15th August, 2024). Sarpanch, members of Gram panchayat, villagers, students and college staff members participated in the program. Sarpanch of Ganeshpur planted the tree in front of Gram panchayat. In Borgaon (Sawali), Headmaster of Z.P. School, staff member and village people planted trees in school premises. In Peth village, Anganwadi Sevika and villagers planted a tree in front of Gram panchayat. In Pavnur village, Village people planted trees in Z.P. School premises. In Majra (Amji), Ex-Sarpanch, members of Gram panchayat and village people planted trees at different places in the villages. For conducting village development activities under Unnat Bharat Abhiyan, Gram panchayat and village people actively cooperate and support for its success. The Coordinator Dr. R. R. Chaudhari expressed sincere thanks to Sarpanch, Members of Gram panchayat, village people, college staff members and students for their cooperation and support. Dr. S. M. Pawar, Mr. Akash Waranje and students Shri. Anup Malgam, Shri. Mahesh Sangatsaheb, Ku. Payal Dhurve

and Ku. Payal Dandare, Shri. Avish Kamble, Ku. Mohini Botkule and Ku. Radha Bobade made great efforts in conducting tree plantation.

Nala deepening, broadening and straightening work at Pavnur village Coordinated under UBA

As part of the rural development initiative under Unnat Bharat Abhiyan (UBA), a significant activity entitled Nala deepening, broadening, and straightening was successfully carried out at Pavnur village, with the objective of addressing local farmers' concerns about flooding, wild animal intrusion and agricultural losses. The work was successfully executed with support from the Jamnalal Bajaj Seva Trust (JBST), Wardha.

i) Preliminary Engagement and Farmers Meeting

On 24th January 2025, Dr. R.R. Chaudhari, UBA Coordinator and UBA Members Prof. Akash Waranje, and Prof. Suryakant Chavhan conducted the farmers' meeting at Pavnur village. During the meeting, he discussed the prevalent water and land management challenges with the farmers. Dr. R.R. Chaudhari also explained the operational procedures of the Jamnalal Bajaj Seva Trust (JBST), Wardha, which supports such Nala work by covering 90% of the project cost, with the remaining 10% borne by the beneficiary farmers. The farmers unanimously expressed the urgency of resolving problems such as crop losses due to floods, soil erosion, and disturbances caused by wild animal and requested support for Nala development to improve agricultural sustainability.

ii) Mobilization and Administrative Support

Former Sarpanch of Pavnur, Shri Ramesh Karankar and Shri. Amar Patil, Grampanchayat Assistant played a crucial role in mobilizing local support. They actively facilitated the collection of the 10% beneficiary contribution and passed the required Grampanchayat resolution. Subsequently, Dr. R.R. Chaudhari submitted the necessary documents to JBST, including: College letter, the list of participating farmers, consent letter of beneficiary farmers with their agriculture land area, Copy of the Grampanchayat resolution, etc.

iii) Site Visit and Work Commencement

JBST officials Shri. Shrikant Mehere and Shri. Yashawant Mungule visited the project site on 4th April 2025 for assessment and final approval. The Nala work officially commenced on 8th April 2025, and within 12 days, 1 km of Nala deepening, broadening, and straightening work was successfully completed on 19th April 2025. On 10th April 2025, Shri Sanjay Bhargava, Chairman

of Shiksha Mandal, visited the site and interacted with farmers regarding the ongoing work and their expectations.

iv) Completion and Acknowledgement

The work was successfully completed on 19th April 2025, within a span of 12 days. The completed project expects the significant benefits to the village such as improve water retention and availability during summer, increase potential for multiple cropping, enhance groundwater recharge, effective flood control, reduce soil erosion, minimize entry of wild animals into agricultural areas, etc.

Farmers and the Former Sarpanch Shri Ramesh Karankar expressed heartfelt gratitude towards the JBST and Unnat Bharat Abhiyan team for their timely and quality support. The intervention has been highly appreciated by the local community.

The UBA Team: Dr. R.R. Chaudhari, Dr. Vaishali Ugale, Prof. Akash Waranje and Prof.Suryakant Chavhan took good efforts and field involvement for success of the Nala development work at Pavnur.

The Nala improvement work at Pavnur village is a model of collaborative rural development, showcasing how academic institutions, local governance, and NGOs can work together under Unnat Bharat Abhiyan to bring about tangible improvements in rural infrastructure and agriculture.

Veterinary Animal Treatment Camp at Pavnur village

Unnat Bharat Abhiyan and Jamnalal Bajaj Seva Trust, Wardha joint organized Veterinary Animal Treatment Camp at Pavnur Dist. Wardha on 04/02/2025. The veterinary animals such as cows, buffaloes, bullocks, goats, dogs, etc. treated during the camp. The JBST provided veterinary medicines. So, there were no charges for medicines for animal treatment to livestock owners. Total 216 veterinary animals were treated during camp. The livestock owners were very happy and satisfied with the animal treatment. The expert team of veterinary doctors was Dr.Yogesh Gawande and Dr. D. D. Mohale from Rural Institute, Pipri, Dr. P.D. Hirole from Bajaj College of Agriculture, Pipri, Shri. H. M. Naik and Shri. A. G. Mahure from Jamnalal Bajaj Seva Trust, Wardha treated the veterinary animals during the camp. The members of Unnat Bharat Abhiyan Cell Prof. Akash Waranje, Prof. Suryakant Chavhan and students Shri. Nitesh Bhujade and Shri. Kunal Sarate as well as Gram panchayat Supporting staff Shri. Amar Patil worked hard to ensure the success of the camp. The livestock owners of Pavnur village applauded the efforts of veterinary doctors and Unnat Bharat Abhiyan Team members.

Cyber Security Awareness Programme at Ganeshpur

Unnat Bharat Abhiyan organized Cyber Security Awareness Programme at Ganeshpur on 18/03/2025. Rekha Rathod and Meena Kaurati Cyber Cell, S.P. Office, Wardha were the Guest speakers for the programme. The Grampanchayat Sarapancha Shelketai welcomed guest speakers and Unnat Bharat Abhiyant Team by offering flowers. Grampanchayat Ganeshpur realized rising incidents of online frauds affecting local youth and villagers. Dr. R.R.Chaudhari Coordinator Unnat Bharat Abhiyan gave brief background information and objective of the programme. Rekha Rathod and Meena Kaurati guided villagers about different types online frauds with examples. They also shared their experiences about the frauds. They what to do and where to contact regarding online frauds. Villagers asked their queries and experts of cyber cell gave solutions over it. Sarapanch Shelke told that Unnat Bharat Abhiyan organized programme on request of Grampanchat and enlighten Ganeshpur villagers with technical information on cyber security. Dr. Vaishali Ugale Co-coordinator of Unnat Bharat Abhiyan expressed the vote of thanks. The Unnat Bharat Abhiyan team members Prof. Akash Waranje, Prof. Suryakant Chavhan and students Amit Chaudhari, Ku.Payal Dhurve, Ku. Achal Waghade, Ku. Pratiksha Tamgadage and Ku. Sejal Khadatkar and Grampanchat Assistant Shri Manoj Waghade worked in close coordination to ensure the successful execution of the programme

Veterinary Animal Treatment Camp at Ganeshpur village

Unnat Bharat Abhiyan organized Veterinary Animal Treatment Camp at Ganeshpur Dist. Wardha on 26/03/2025 as per the letter received from Grampanchayat Ganeshpur about the need of Veterinary Animal Treatment Camp at Ganeshpur. Dr. R.R.Chaudhari coordinated the camp. The veterinary animals such as cows, buffaloes, bullocks, goats, dogs, etc. treated during the camp. There were no charges for medicines for animal treatment to livestock owners. Total 276 veterinary animals treated during camp. The livestock owners supported and brought their animals at camp for treatment. The expert team of veterinary doctors was Dr. Yogesh Gawande and Dr.D.D.Mohale from Rural Institute, Pipri, Dr. P.D. Hirole from Bajaj College of Agriculture, Pipri, Shri. H.M.Naik and Shri. A.G.Mahure from Jamnalal Bajaj Seva Trust, Wardha who treated the veterinary animals during the camp. The members of Unnat Bharat Abhiyan Cell Prof. Akash Waranje, Prof.Suryakant Chavhan and students Shri. Amit Chaudhari, Pratik Tamgadage, Ku. Sejal Khadatkar, Ku. Pratiksha Tamgadage as well as Grampanchayat Supporting staff Shri. Manoj Waghade worked hard to ensure the success of camp. The livestock owners of Ganeshpur village applauded the

efforts of veterinary doctors and Unnat Bharat Abhiyan Team members. The livestock owners expressed that this type camp must be organized in future also.

Ganeshpur Village Pond issue (Water conservation work) coordinated by Unnat Bharat Abhiyan Team

Unnat Bharat Abhiyan (UBA) team conducted a baseline household survey in Ganeshpur village. During this survey, the team identified a critical issue faced by the villagers i.e. the lack of a reliable water source.

Upon further investigation, the UBA team visited the site of the old village pond, which was found to be in a dilapidated and unused condition, with no system in place for water storage. Recognizing the potential of this pond to address the water scarcity issue, the team held discussions with the Sarpanch and local villagers. It was collectively agreed that rejuvenating the village pond could provide a sustainable solution, ensuring water availability throughout the year.

Although previous attempts had been made by the villagers and the Sarpanch to construct or restore the pond, these efforts were unsuccessful. To move the project forward, the UBA team obtained relevant land documents from the Gram Panchayat. It was found that land survey number 71 was designated for grazing, while survey number 72 fell under forest land jurisdiction. Subsequently, the UBA team received a formal request letter along with a Gram Panchayat resolution from Ganeshpur Grampanchayat for assistance in solving the water issue. A detailed college letter along with 7/12 extracts, map, Grampanchayat letter, Grampanchayat resolution etc. documents submitted to the Forest Department, Wardha, on 03/03/2025.

The letter was positively received by the Forest Department officials, including Mr. Harvir Singh Deputy Conservator of Forest, Wardha), Mr. Amarjit Pawar (Deputy DFO, Wardha), and Mr. Rupesh Khedkar (RFO). The UBA team maintained consistent follow-up on the progress of the proposal. On 10/03/2025, Mr. Amarjit Pawar and RFO Mr. Rupesh Khedkar conducted on-site visit to the Ganeshpur pond, accompanied by the UBA team. They appreciated the efforts and coordination of UBA team to bring the water issue in light.

Taking the serious note of UBA Coordination, the Forest Department drafted a plan of action. Remarkably, within ten days, the water conservation work started. Gabion bund structures constructed at 37 locations and two forest ponds were completed to facilitate the water conservation and enhance water retention capacity. The work is about 1.5 km in length.

As a result of this intervention, Ganeshpur village will get consistent water supply throughout the year. This significant achievement was made possible through the dedicated efforts

of the UBA team members — Dr. R. R. Chaudhari, Dr. Vaishali Ugale, Prof. Akash Waranje, and Prof. Suryakant Chavhan — who played a vital role in coordinating with the villagers, Gram Panchayat, and the Forest Department. This initiative stands as a successful example of community engagement, institutional collaboration and sustainable rural development under the Unnat Bharat Abhiyan.

Soil Sample Testing Activity and Technical Guidance

The technical guidance on soil sample collection provided to the UBA volunteers. The soil samples of 20 farmers collected from Ganeshpur village collected by UBA volunteers. These soil samples given to Bajaj College of Agriculture, Pipri for General and micro nutrients testing. The detail reports of soil testing distributed to concerned farmers. The technical guidance on crop planning based on soil testing report provided to the farmers by soil science experts Prof. Ghode and Entomologist Prof. Rajendra Kharche from Bajaj College of Agriculture, Pipri. The farmers got technical information on soil nutrients available in their farm.

The UBA cell Dr. R.R.Chaudhari Coordinator, Dr. Vaishali Ugale Co-coordinator, Dr.S.M.Pawar Member, Prof. A.B.Waranje Member, Prof. S.W.Chavhan,UBA Member and UBA Volunteers Shri. Anup Malgam, Shri. Mahesh Sangatsaheb, Ku. Payal Dhurve, Ku. Payal Dandare, Ku. Shradhha Mahajan, Shri. Avish Kamble, Ku. Mohini Botkule and Ku. Radha Bobade, Ku. Nikita Kangale, Shri. Anup Chaudhari, Shri. Amit Chaudhari, Shri. Samyak Sontakke, Ku. Achal Waghade, Pratik Tamgadage, Ku. Sejal Khadatkar, Ku. Pratiksha Tamgadage had taken great efforts in successful organization of different rural development activities in five villages.

Health Check-up Camp organised at Borgaon (Sawali)

Wardha 14 March: A health camp was recently organized by Shiksha Mandal's Shrikrishnadas Jajoo Grameen Seva Mahavidyalaya under Unnat Bharat Abhiyan at Borgaon (Sawali) Tq. Dist. Wardha. A team from Kasturba Rural Health Training Center, Anji, under the headship of

Dr. Arjun Kumar Associate Professor, Community Medicine, coordinated the college in conducting the camp. With an aim to provide good medical care to the needy people in rural areas, the devoted team from KRHTC conducted the camp under the guidance of Mrs. Pranali More, Sarpanch, Borgaon (Sawali), Wardha. The team from Kasturba Rural Health Training Center, who conducted the health screening included; Dr. Devyani Wanjari, Dr. Mrunal Pidurkar, Shri Atul Katarkar, Nalini Ghogale and Dinesh Dharpure.

The health check-up involved testing Blood Pressure, Sugar, Haemoglobin and general checkup of 50 villagers. The Height, Weight and hygiene check-up of 22 students of Z.P. Primary School was also

carried out by providing proper suggestions on health in the camp. The villagers of Borgaon (Sawali) expressed their desire on executing such resourceful activities in future also. Mrs. Pranali More Sarpanch, Borgaon (Sawali) Grampanchayat actively assisted the college and the team from KRHTC in organizing the health camp. The health camp succeeded due to the persevering efforts of Dr. Suresh Pawar, Dr. Ratan Chaudhari and Prof. Akash Waranje and the students; Mr. Anup Malgam, Mr. Mahesh Sangatsaheb, Ku. Payal Dandare and Ku. Payal Dhurve. The organizers expressed gratitude to the villagers, Sarpanch and the team of doctors for their genuine support.

Farmers guided on cultivation of sesame crop

■ District Correspondent
WARDHA, Mar 15

SHRIKRISHNADAS Jajoo Grameen Seva Mahavidyalaya, Pipri, recently organised a technical guidance programme on sesame crop cultivation at Borgaon (Sawali) under Unnat Bharat Abhiyan at Borgaon (Sawali) in Wardha taluka.

Prof Akash Levade, Assistant Prof Bajaj College of Agriculture, Pipri-Wardha, was the expert speaker for the programme.

The programme was held after discussions with the Sarpanch of the village who felt there was a need to technically guide the farmers on growing Sesame crops in order to get a better yield.

In the technical session, Prof Akash Levade guided the farmers on cultivation of Sesamum crop explaining in detail the land preparation, seed-sowing method, inter-cultural operations, method of applying fertilisers, insecticide and weed-

A guest addressing the farmers.

icide application and the ways to prevent the attack of insects and pests and the harvesting of Sesame crop. Farmers raised their queries regarding the quantity and method of applying fertilizers, brand and quantity of insecticide and weedicide application which were answered by Prof Akash Levade. The farmers sincerely appreciated the faculties of the college for organising such informative session on Sesamum crop production under Unnat Bharat. They even expressed their views on

arranging such useful sessions in future also. The sarpanch and the villagers provided their assistance in organising the programme. Total 33 farmers participated in the guidance programme. Dr R R Chaudhari conducted the proceedings and proposed a vote of thanks as well. The faculty members, Dr R R Chaudhari, Dr S M Pawar, Prof Akash Waranje and the students of the college. Vaibhav Chavan and Mahesh Sangat took efforts in organising the programme and making it a huge success.
