

Report on the Tree Plantation Drive under *'Unnat Bharat Abhiyan'*

As part of the initiative of the Government of India '*Unnat Bharat Abhiyan*', under the guidance of In-Charge principal Dr. Dharmvir Gurjar A Tree Plantation Drive was successfully organized as a joint initiative of Environment, Cleanliness, Water Conservation Committee, the NSS Unit, IQAC of Garda College, and the village authorities of Dambher Village on 28th August 2025, along the roadside area of the village. The program witnessed enthusiastic participation from various stakeholders, including the In-Charge Principal Dr. Dharmvir Gurjar, Vice-Principal Dr. Hitesh Patel, village community members, NSS Programme Officers, and a team of dedicated volunteers.

The Sarpanch of the village Smt. Harsha Patel and upsarpanch Shri Prakash Patel and village leaders extended their wholehearted support, underlining that such initiatives unite the community around a meaningful and sustainable cause. NSS programme officers Dr. Radha Gautam, Prof. Hetal Naik and Prof. Kishore Patel coordinated the entire event, guiding students in proper planting techniques and ensuring maximum area coverage for plantation.

Fifty saplings of native species such as neem, banyan, peepal, and various fruit-bearing trees were planted along village pathways.

The program concluded with a heartfelt pledge by all participants to protect the planted trees and to continue engaging in similar eco-friendly efforts in the future. This drive not only enhanced the beauty of the village surroundings but also instilled a lasting sense of environmental responsibility among students.

The Tree Plantation Drive was a great success, symbolizing the unity and collaboration between educational institutions, students, and the village community in striving for a greener and sustainable tomorrow.
