

REPORT ON CELEBRATION OF 11 YEARS OF UBA AT PANDORI ATWAL

DATED: 12TH NOVEMBER, 2025

Introduction

Khalsa College Garhdiwala celebrated **11 years of Unnat Bharat Abhiyan (UBA)** with great enthusiasm at its adopted village **Pandori Atwal**. The program was designed to strengthen the bond between the institution and the rural community by addressing key social, environmental, and educational issues. UBA, a flagship initiative of the Government of India, aims to connect higher education institutions with villages to promote sustainable development and empower rural populations.

The celebration at Pandori Atwal reflected this vision by organizing impactful sessions on **stubble burning awareness**, **digital literacy**, and **Beti Bachao Beti Padhao**. Faculty members, students, villagers, actively participated, making the event a true example of collaborative learning and community engagement. The initiative not only highlighted the college's dedication to social responsibility but also showcased its role in nurturing responsible citizens who contribute to nation-building.

Key Activities

□ Stubble Burning Awareness

- **Speaker:** Dr. Pankaj Sharma , Assistant Professor in Chemistry Departmenmt
- Addressed the harmful effects of stubble burning on environment, soil health, and human well-being.
- Suggested sustainable alternatives such as crop diversification, composting, and use of modern machinery.
- Motivated farmers and youth to adopt eco-friendly practices to reduce pollution.

□ Digital Literacy Awareness

- **Speaker:** Ms. Pawiterjit Kaur, Assistant Professor in Computer Science
- Educated villagers and students about the importance of digital skills in daily life.
- Covered topics like online safety, e-governance, digital payments, and educational platforms.
- Empowered participants to use technology for growth and better opportunities.

□ Beti Bachao Beti Padhao Event

- **Speaker:** Ms. Sandeep Kaur, Assistant Professor in Chemistry department
- Organized to spread awareness on gender equality and the importance of girls' education.
- Activities included motivational talks, poster-making, and cultural performances by students.
- Reinforced the message of empowering women through education and equal rights.

Impact

- Strengthened the bond between college and community through active participation.
- Raised awareness on critical issues: environmental sustainability, digital empowerment, and gender equality.
- Inspired students and villagers to take responsibility for social change.
- Highlighted the role of educational institutions in nation-building and rural development.

Conclusion

The celebration of **11 years of UBA** at Pandori Atwal was a meaningful initiative by Khalsa College Garhdiwala. By addressing environmental, technological, and social challenges, the event showcased the college's dedication to creating responsible citizens and fostering inclusive growth. The enthusiastic participation of students, faculty, and villagers made the program a resounding success.
