Content:	<p>On <b>20<sup>th</sup> September 2024</b>, the ECO Club of MIMT in collaboration with HCL Foundation celebrated World Cleanup Day. The Event Started by Participants registering for the event at the welcome desk, where they received information about the day's activities. To kick off the event, a fun Zumba workout session energized everyone and set a lively tone for the day ahead. Following the workout, an official welcome note was delivered, providing a brief overview of the event and its objectives.</p> <p>Next, participants received instructions on the plogging drive, which included dividing into groups and outlining the dos and don'ts for a successful and safe cleanup effort. During the plogging drive, participants actively engaged in collecting litter and waste while jogging in designated areas, promoting both fitness and environmental responsibility.</p> <p>After the cleanup, there was a group photoshoot to capture memories of the event, allowing participants to celebrate their collective efforts. This was followed by a lively band performance, along with other entertainment, to keep the energy high and thank participants for their hard work.</p> <p>The day culminated in a felicitation ceremony, where individuals were recognized for their contributions. As the event drew to a close, a vote of thanks expressed gratitude to all attendees for their participation and</p>

	support. Finally, light refreshments were served to provide a delightful end to a fulfilling day.
Outcome of Activity:	Students and volunteers joined in with great energy, which encouraged everyone to care more about the environment. A lot of trash was collected during the plogging drive, making the area cleaner and better. Mixing fitness with cleanliness gave people a positive message about staying healthy and helping the planet. The teamwork between the ECO Club and HCL Foundation showed how working together can make a big difference.
