To discussed a range of issues and solutions pertaining to the welfare of the labor force and other rural development4. To encourage community participation in Labor Day celebrations to foster social cohesion in rural area
Content	<p>On 1st May, 2025, on the occasion of Labour Day, The Unnat Bharat Abhiyan Cell of MIMT, Visited to the Gram Sabha: Sarakpur, Gautam Budha Nagar, Greater Noida, UP. In accordance with Unnat Bharat Abhiyan guidelines, Dr. Azad Singh & Mr. Vishal Mavi, along with UBA Cell members (Students) actively participated and arranged a community meeting where the UBA team and local villagers discussed a range of issues and solutions pertaining to the welfare of the labor force and other rural development concerns.</p> <p>The Villagers voiced a variety of concerns at the community meeting, including the lack of employment opportunities in the village, unfavorable working conditions, a lack of social and job security, and the disregard for government regulations pertaining to wage pay, which encourages worker exploitation. Due to ignorance of these rules, the populace was in dire need of basic information about government aid programs and their fundamental rights, which they might use to protect</p>

	<p>themselves and access labor's rights. In the line of discussion, Dr. Azad Singh provide a brief overview about various online portals from where Laborers can gain access to essential services, such as healthcare, education, and financial assistance, social justice in rural areas and they can access their' labor rights which would leading to a more equitable society.</p> <p>Dr. Azad Singh listened to their questions during the whole session and conversation and gave them a basic framework that allows them to access their rights and stay informed about the many social programs directly from the government portal.</p> <p>In the same line of discussion, Mr. ParmodBhati, Gram Pardhan (Sarakpur) also contributed and explained about major Govt. initiatives which recently taken for the upliftment for the rural population to the people and Gave thanks to Dr. Azad Singh and whole UBA Cell from MIMT for this knowledge sharing activity.</p>
Outcome of Activity	<p>The Rural Laborers become more aware of their rights, benefits, and entitlements along with Laborers feel more confident and empowered to demand fair treatment and better working conditions, safety, and health standards. With this activity Local communities come together to celebrate the contributions of laborers and promote social cohesion.</p>
