Activity Report	
Name of Activity	Community Art
Date	17 th Feb, 2025
Venue	Alpha 2, Greater Noida
Organized by	Eco Club, MIMT and HCL Foundation
Coordinated by	Ms.Sonam Srivastav (Assistant Professor) MIMT and Mr. Vishal Mavi (Assistant professor)
No. of Participants	27 4 Faculty Member.
Participated by	Participants of Eco Club
Objective:	<ul style="list-style-type: none">• Educated students and the community about sustainability, emphasizing waste reduction, upcycling, and eco-friendly lifestyle choices.• Engaged students in creating a collaborative artwork, highlighting the power of creativity in inspiring environmental consciousness and social responsibility.• Provided a platform for collective participation, reinforcing teamwork, shared responsibility, and the importance of community-driven initiatives for a sustainable future.• Offered an interactive tour and discussions on sustainable waste practices, helping participants learn actionable steps to minimize waste and promote recycling.• Strengthened collaboration with the HCL Foundation, reinforcing the commitment to long-term environmental initiatives and fostering relationships for a cleaner, greener future.
Content:	<p>On 17th February 2025, the Eco Club of Mangalmay Institute of Management & Technology, in collaboration with HCL Foundation, unveiled a remarkable community artwork created by students. This visually captivating piece symbolizes creativity, teamwork, and a shared commitment to environmental awareness. The initiative aimed to highlight the power of artistic expression in inspiring meaningful change and fostering a sense of collective responsibility.</p> <p>Following the unveiling, participants engaged in a guided session on Sustainable Solid Waste Management. The discussion focused on upcycling, innovative waste reduction techniques, and the significance of reusing materials to minimize waste. Through interactive learning, students gained practical insights into eco-friendly lifestyle choices and the impact of small actions on environmental sustainability.</p> <p>To enhance the experience, attendees enjoyed refreshments while exchanging thoughts on sustainability and responsible waste practices. The informal discussions encouraged participants to reflect on their roles in promoting a cleaner, greener future.</p> <p>As a token of appreciation, goodie bags were distributed among students, reinforcing their commitment to sustainability and acknowledging their</p>

	<p>active participation.</p> <p>This impactful initiative, coordinated by Ms. Sonam Srivastava and Mr. Vishal Mavi, strengthened the partnership with HCL Foundation, reaffirming the shared vision of driving positive environmental change through community-driven efforts.</p>
Outcome of Activity:	<ol style="list-style-type: none">1. Participants gained a deeper understanding of sustainable waste management practices, upcycling, and eco-friendly lifestyle choices.2. Students actively contributed to the artwork, realizing the power of artistic expression in raising awareness and inspiring change.3. The collective effort in creating the artwork fostered teamwork, collaboration, and a shared sense of responsibility toward environmental sustainability.4. Through discussions and interactive sessions, students learned actionable steps to minimize waste, reuse materials, and contribute to a cleaner environment.5. The event, in partnership with HCL Foundation, strengthened long-term environmental initiatives, encouraging students to continue advocating for a greener future.
