

## Event Report

- **Cleanliness & waste management campaign**
  - **Community Support Activities**

**Date:** 15 October

**Organised by:** Unnat Bharat Abhiyan Cell, Govt. Polytechnic Sundernagar

**Faculty Coordinators:** Ms. Puneeta Thakur, Ms. Neha Malhotra

**Participants:** Six student volunteers

### 1. Introduction

As part of the Unnat Bharat Abhiyan (UBA) initiative, a team from Govt. Polytechnic Sundernagar visited Government Primary School Bhanwar, Govt middle school Bhanwar, Government Primary School Chajwar, Anganwadi Centre Chajwar, and Gram Panchayat Bhawan Bhanwar on 15 October 2025. The visit aimed to promote cleanliness and raise awareness about waste management, support local institutions, and to promote awareness about safe drinking water.

### 2. Places Visited and Activities Conducted

#### a) Government Primary School Bhanwar & Govt Middle school Bhanwar

- A **cleanliness drive** was conducted on the school campus. Awareness regarding waste management was created through play/ skit prepared by student members of UBA cell.
- Students and staff were informed about the **importance of safe drinking water**.
- A **water purifier** was provided to Govt primary school Bhanwar to improve access to clean drinking water. The need of water purifier was recorded during the baseline survey conducted by UBA team

#### b) Government Primary School, Chajwar

- A cleanliness drive was carried out. Awareness regarding waste management was created through play/ skit prepared by student members of UBA cell.
- To improve the learning environment, **two ceiling fans** were donated to the school. The need to replace the irreparable fans was recorded during baseline survey which was discouraging students from attending school in hot weather.

#### c) Anganwadi Center, Chajwar

- Cleanliness activities were conducted in and around the centre.
- A total of **7 tables and 7 chairs** were donated to support the seating needs of children.

#### d) Gram Panchayat Bhawan, Bhanwar

A cleanliness drive and waste management demonstration were organised. The dustbins used during the campaign were later donated to Gram Panchayat Bhawan Chajwar for continued use in waste management.

### 3. Waste Collection and Segregation Demonstration

At all locations, demonstrations were given on:

- Proper waste collection,
- Segregation of biodegradable and non-biodegradable waste,
- Maintaining cleanliness in public places.

The dustbins used during the demonstrations were later donated to Gram Panchayat Bhawan Chajwar for continued use in waste management.

#### 4. Outcome of the Visit

- Improved awareness about cleanliness and hygiene.
- Strengthened school and anganwadi infrastructure through useful donations.
- Enhanced understanding of waste segregation among students and community members.
- Promoted community participation in maintaining a clean environment.

#### 5. Conclusion

The visit successfully combined awareness, community engagement, and practical support. The initiative not only improved the infrastructure of local institutions but also encouraged sustainable cleanliness practices. The active involvement of students and faculty reflected the commitment of Govt. Polytechnic Sundernagar to rural development under the Unnat Bharat Abhiyan.
