

Name of Event: Education Awareness Program for Rural Students under the Aegis of Unnat Bharat Abhiyan”

Date of Event: 7-2-2026

Organized by: School of Agriculture

Event Coordinator: Dr. Satish Chand

Objective:

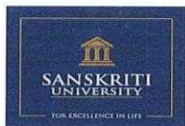

- To spread awareness about the importance of education among rural students
- To motivate school students for higher education

Report:The School of Agriculture, Sanskriti University, under the aegis **UNNAT BHARAT ABHIYAN** , organized an **Education Awareness Program** in the adopted village of the university, Akbarpur. The program was conducted as part of the university’s extension and outreach initiatives. During the program, students and faculty members of the School of Agriculture visited **Shri Durgesh Inter College, Akbarpur**. The team interacted with school students and discussed the importance of education in personal growth, career development, and nation-building. Special emphasis was given to higher education opportunities, skill development, and career prospects in agriculture and allied fields. The session was interactive in nature. School students actively participated and raised queries related to academic streams, career options, and higher education pathways. The interaction helped create awareness and motivation among students toward continuing their education.

Program Outcome:

- Increased awareness among school students regarding the importance of education
- Motivation of students to pursue higher studies

- Improved understanding of career opportunities in agriculture and related fields
- Strengthened relationship between the university and the local community
