

**Name of Event: “Clean Village and Plastic-Free Village Awareness Program under Unnat Bharat Abhiyan”**

**Date of Event: 28-2-2026**

**Organized by: School of Agriculture**

**Event Coordinator: Dr. Satish Chand**

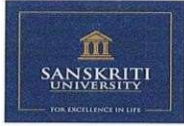

## Objectives

- To promote the concept of a clean and plastic-free village
- To spread awareness about the harmful effects of plastic on the environment
- To encourage the use of eco-friendly and sustainable alternatives to plastic
- To involve the rural community in cleanliness and environmental conservation initiatives

**Reports:** The School of Agriculture, Sanskriti University, under the aegis **Unnat Bharat Abhiyan** organized a **Clean Village and Plastic-Free Village Awareness Program** in the adopted village of the university, Akbarpur. The program was conducted as part of the university’s extension and outreach activities with the aim of promoting cleanliness, environmental protection, and sustainable living practices. Faculty members and students actively participated in the program and interacted with villagers to highlight the importance of maintaining a clean village environment and reducing the use of single-use plastic. Awareness was created regarding plastic pollution, its adverse effects on soil, water, animals, and human health, and the benefits of adopting biodegradable and reusable alternatives. Students motivated villagers to segregate waste, avoid plastic usage, and participate collectively in keeping the village clean. The program emphasized community responsibility in achieving the goal of a clean and plastic-free village. The initiative received active participation and positive response from the local residents.

## Program Outcomes

- Increased awareness about cleanliness and plastic pollution among villagers
- Encouragement to adopt plastic-free and eco-friendly practices
- Promotion of environmental sustainability at the village level
- Strengthened university–community engagement under Unnat Bharat Abhiyan

No. of Faculty attended: 06

No. of Student attended: (List of students) 25

**Co-coordinator: Dr. Ashish Tiwari**

**Conclusion**

The Clean Village and Plastic-Free Village Awareness Program organized by the School of Agriculture under IQAC was successful and impactful. The activity effectively supported the objectives of Unnat Bharat Abhiyan by promoting cleanliness, environmental awareness, and sustainable rural development. The university remains committed to organizing such programs for the welfare and holistic development of rural communities.
