Date of Event: 28-3-2026

Organized by: School of Agriculture

Event Coordinator: Dr. Satish Chand

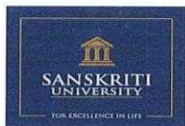

Objectives of the Program

- To provide academic and career guidance to rural students
- To motivate rural students towards higher education and skill development
- To identify learning gaps and provide mentoring support
- To promote inclusive education under Unnat Bharat Abhiyan

Description of the Activity

The School of Agriculture, Sanskriti University, under the aegis **Unnat Bharat Abhiyan** organized a **Rural Students Mentoring Program** in Akbarpur village. The program was conducted as an extension and outreach initiative to support the educational and personal development of rural students. Faculty members and students of the School of Agriculture interacted with rural school students and provided mentoring on academic subjects, study techniques, time management, and examination preparation. Guidance was also given regarding career opportunities, higher education options, scholarships, and skill-based learning programs. The mentoring sessions were interactive, allowing students to express their academic concerns and aspirations. The program aimed to boost confidence, motivation, and awareness among rural students to help them achieve their educational goals.

Outcomes of the Program

- Improved academic awareness and motivation among rural students
- Enhanced understanding of higher education and career opportunities
- Personalized guidance and mentoring support for students
- Strengthened university–community engagement under Unnat Bharat Abhiyan
