Date	13th March, 2026 (Friday)
Venue	Village Sarakpur, Greater Noida, UP
Organized by	Eco Club and Unnat Bharat Abhiyan (UBA) Cell
Participated By	35 Students of B.A.B.Ed. II Year
Beneficiaries	83 Community Members
Activity in-Charge	Dr. Isha Varshney , Assistant Professor and UBA Cell Coordinator, MIMT Mr. Somendra Sharma , Assistant Professor and Eco Club Coordinator, MIMT
Objective of the Activity	<p>The objectives of organizing the “Cleanliness & Paper Bag Distribution Drive” were:</p> <ul style="list-style-type: none">• To promote cleanliness and hygiene in the community.• To create awareness about the harmful effects of plastic pollution.• To encourage the use of paper bags instead of plastic bags.• To develop environmental responsibility among students and the public.• To promote sustainable and eco-friendly practices.
Content	<p>The Unnat Bharat Abhiyan (UBA) Cell & ECO Club, Mangalmay Institute of Management Technology, Greater Noida, jointly organized a Cleanliness & Paper Bag Distribution Drive on 13th March, 2026, in Village Sarakpur, Greater Noida, to promote community cleanliness, environmental awareness, and sustainable living practices. The activity aimed to encourage people to keep their surroundings clean and to use eco-friendly paper bags and items instead of plastic-made bags and items, highlighting the campaign of Say No to Plastic. This activity focused on UBA themes, Clean Village and Eco-friendly communities/village & Sustainability, reflecting on the core vision of UBA, which aims to connect educational institutions with nearby communities and villages to address local issues through awareness, participation, and responsible action. It also served as a platform for students to actively participate in nation-building and rural/community development, which is one of the key objectives of UBA.</p> <p>The Cleanliness and Paper Bag Distribution Drive organized by the Eco Club & UBA Cell proved to be an effective initiative in spreading awareness about cleanliness, sanitation, and plastic-free living. The activity not only benefited the community but also helped students develop a sense of responsibility, teamwork, and environmental stewardship.</p>

	<p>A total of 35 students of B.A.B.Ed. 2nd Year participated, and 83 community members benefited from this activity.</p>
Outcome of the Activity	<p>The outcomes of the “Cleanliness & Paper Bag Distribution Drive” were:</p> <ul style="list-style-type: none">• This activity helped increase awareness about cleanliness and waste management.• Students made community members understand the importance of reducing plastic use.• Paper bag distribution encouraged eco-friendly alternatives.• Students showed active participation, teamwork, and social responsibility.• This activity strengthened community involvement for a cleaner environment.
