#### List of Activities:

##### ACTIVITY 1:

**Title of the Activity: Meeting with Sarpanch & members of Panchayat on 9<sup>th</sup> Nov, 2021**

**Need of the Activity:** To seek their approval for conducting development activities at Fakharpur village

**Brief Description (Need/Impact/Action/Picture (if any)):** A meeting was conducted to seek the approval of the heads of the panchayat to start the development activities under UBA. The main focus of the discussion was to know the problems faced by the villagers and seek their suggestions. During the discussion we learnt about the energy sources that are used by the villagers, water availability, the agricultural produce, waste handling, skilling requirement of the youth. We also learnt about the facilities available for health and education in the village.

UBA team of Amity University had discussed the plan of action of the university in solving the problems related to health, energy, water, health, skilling, and farming. We discussed with them the usefulness of utilizing solar rooftop PV, solar pumps, biogas plants and how Amity can undertake eye and ear check-up in the village and guide them about the nutrition requirement for the children and adult.

Sarpanch emphasised on the requirement of skilling for women and youth for creating employment opportunities. He also showed interest in setting up of community- based biogas plant and supported plans for waste management. He offered help to the UBA team in conducting village survey.

Meeting was attended by Mr Raj Singh, Sarpanch along with members of the Panchayat and faculty members Prof (Dr) Subhra Das, Dr Anil Yadav and seven staff members of Amity University Haryana.

**Impact:** Cooperation of Heads of Village for conducting household survey.

A positive attitude of the villagers towards the activity

Support from Anganbaari members in joining hands with Amity University Haryana for conducting development activities in the village.

Meeting with Sarpanch and members of Panchayat of village Fakarpur

Members of Team UBA conducting the meeting

### Filling up of Village Survey form and household forms

#### ACTIVITY 2:

**Title of the Activity:** Household Survey at Fakarpur Village

**Need of the Activity:** To understand the need of the villagers and the areas where Amity University Haryana can take up developmental activities.

#### **Brief Description (Need/Impact/Action/Picture (if any)):**

Household survey was conducted by faculty and staff members in the village. The villagers were apprised about the initiative taken by MHRD towards development of the villages and its vision. Villagers appreciated Amity University Haryana for its efforts to join a noble initiative by the Government of India under Unnat Bharat Abhiyan. The villagers talked to the Team about their problems regarding the health facilities, water availability, education, grooming of children and many more. Some of them had given their suggestions for developing facility for physical activities for children and many more.

**Impact:** Villagers are aware of UBA program and the role of Amity University Haryana

Villagers are open to sharing their problems and, in some cases, they would personally call coordinators for help for their own personal issues.

Gain confidence of the villagers

Interaction of AUH staff with Villagers

Next action plan:

| Sr. No. | Activity to be conducted(along with reason)                                                                                                                                                                             |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1       | Conduct Nutrition Awareness Program. The program was conducted to create awareness about balanced diet to avoid malnutrition among children required to increase immunity of the children in the Covid hit environment. |
| 2       | Conduct Renewable energy awareness program as per the interest shown by the members of Panchayat and villagers.                                                                                                         |
| 3       |                                                                                                                                                                                                                         |
