

C20 LiFE Pledge For Planet !

Report: Regional Coordinating Institute, IIT Delhi, UBA

Introduction: Civil-20, as an Engagement group within the G20 process, serves the noble purpose of fostering collaboration among civil societies worldwide, gathering diverse voices, innovative ideas, and effective solutions. Notably, the Government of India has bestowed the esteemed position of Chair of Civil 20 (C20) upon Mata Amritanandamayi, highlighting the group's official affiliation with the G20. Within Bharat, the Indian C20 has established 14 working groups encompassing a wide range of areas that civil societies actively engage with.

Among these working groups, LiFE (Lifestyle for Environment) has emerged as a pivotal force, reflecting its significance in addressing pertinent environmental concerns. The National Coordinator for the LiFE working group is YOJAK, assuming responsibility for facilitating and organizing its endeavours. Recognizing the crucial role of engaging youth and Higher Education Institutions, the LiFE working group has identified Unnat Bharat Abhiyan as a supporting partner in their mission.

Undoubtedly, the diversity of life on our planet confronts significant challenges arising from a multitude of threats, such as climate change and deforestation, among others. However, it is vital to recognize that each individual possesses the capacity to effect positive change. By joining forces, we can protect our precious planet and work collectively to ensure that global warming remains below the critical threshold of 1.5°C (2.7°F). Our actions have a profound impact on the planet, predominantly influenced by choices regarding our diet, consumption habits, household energy usage, and modes of transportation.

Work Done by RCI IITD: In line with this commitment, our esteemed regional coordinating institute, IIT Delhi, has taken exemplary strides, rallying its Participating Institutes (PIs) and achieving remarkable progress on multiple fronts. This proactive approach reinforces our dedication to supporting sustainable practices and fostering a multi-layered response to the environmental challenges we face. The link was provided to all: <https://pledge.mygov.in/life-movement/> where we took the pledge also all the certificates were posted on social media as directed.

Number of Participating Institutes (PIs) who have taken the Pledge: 37

.....
Number of Faculties who have taken the pledge: 3175

Number of Students who have taken the pledge: 468

Total: 3643 Pledge taken by faculties and students

	Name of the institute	AISHE Code	Students	Faculties
1	IMS Engineering College, Ghaziabad	C-46125	50	35
2	Asian Business School	S-14545	180	11
