Establishment of well furnished Computer Labs in the 4 Govt Higher Primary Schools of KUD adopted villages **Jodalli, Dummawad, Gambyapura & Kuruvinakoppa**

The aftermath of some pivotal activities tend towards the more requisition for the development in school of adopted villages. On the village's plea we reckoned that there is need of Quality Education in the schools either to establish a well furnished Laboratory for Computer & Science Experiments. As per discussed with Govt official experts and their directives KUD team chose only Govt Higher Primary Schools from each adopted villages to establish Computer Labs.

Outcomes:

The **Avasar Foundation Trust** from **Bangalore** an NGO which is a regular player in engaging of developmental activities showed curious initiative and collaborated with UBA-Karnatak University Dharwad to establish Computer Laboratories. Avasar Foundation Trust established 4 well furnished Computer Laboratories in the Govt schools of adopted villages i.e one Computer Laboratory per Govt Higher Primary School. Now, the villagers are happy and granted gratitude. The school children are pursuing after the establishment of computer Lab.
