### **Village Visit to Turkapur on 30th September 2021.**

On 30th September, Freshers of the batch of 2021-2025 from School of engineering and Technology, Sushant University visited the village Turkapur in order to familiarize students with village-life. Students actively participated in the activities planned at the village. They also thought critically about the solutions for the problems faced by the villagers on a daily basis.

### **Health Camp at Baspadamkha on 8th October 2021**

On 8th October, the UBA Club of Sushant University in association with the School of Health Sciences, organized a Comprehensive Health Checkup Camp at Baspadamkha village, one of the adopted villages under Unnat Bharat Abhiyan Cell (an initiative by MHRD GOI).

The camp was organized to celebrate 'World Sight Week' that included a Free Comprehensive Eye checkup and Nutrition plan for Pregnant and Lactating Women along with awareness on Dengue which has been a serious issue these days.

The initiative was organized for poor distressed people who could not afford regular health checkups. The camp was set up for all kids, women, and men of the village. The doctors prescribed necessary action and precautions to the people. A group of students and teachers of the college volunteered and made the camp a success. Students were grateful to visit and contribute their bit to society.
