## Progress Report 2022-2023

The following events were successfully organized by Unnat Bharat Abhiyan JUIT in Academic Year 2022-23:

### 1. Cleanliness and Waste Management Awareness Campaign: April 17, 2022:

Unnat Bharat Abhiyan (UBA) JUIT Wanknaghat organized a village survey in Richhana, regarding waste management in households on 17th April 2022. The UBA team started their journey at 10:00 AM after being counseled by our faculty coordinators. The team surveyed seven available houses out of twelve and discussed waste management with the villagers. The survey focused on certain points that as the types of waste available at houses, collections of waste materials, dumping places of waste, availability of cleaners, and distances to travel for dumping waste. The team imparted their knowledge about different kinds of biodegradable and non-biodegradable waste and its segregation before dumping. They found that the villagers had some common problems such as the non-availability of cleaners in the village and the long distances that they had to travel for dumping waste. The villagers usually burnt the waste produced in their household for which the UBA team discussed the alternate ways to tackle that problem. Apart from that the team also discussed the medical facilities and their availability in the village. They found that villagers had to travel to nearby villages for basic medical facilities. After observing and noting down all the problems the survey ended at 12:00 PM. In the end, it was a very successful and memorable event.

## 2. AIDS Awareness Campaign: April 17, 2022:

Unnat Bharat Abhiyan JUIT Waknaghat organized an AIDS Awareness Campaign on 17 April 2022. In the starting of the campaign a rally was organized from lower Waknaghat to the main market of Waknaghat by the members of UBA along with the NCC members of JUIT. Different slogans were raised regarding the HIV prevention. The team also approached local people of Waknaghat and talked to them regarding AIDS and how to prevent it. Then all the members went to the gram panchayat Waknaghat where we meet with the Gram Pradhan and talk with him regarding this Awareness program. And with the enthusiasm of the members and the cooperation of the people this Awareness program was a success.

### 3. Awareness on Water Conservation (Jal Jeewan Mission): April 23, 2022:

On the occasion of "**Earth Day**" students of Jaypee University of Information Technology (JUIT) Wagnaghat, Solan, organized a visit to a local government school named GSSS, under **Unnat Bharat Abhiyan (UBA)** program. The motive of this visit was to educate children about **-*How to save water & preserve our beautiful earth***". On Saturday 23 April, we went to GSSS school & surveyed the school. While surveyed, most of the basic amenities in the school were proper & well maintained. We interacted with children about their knowledge over Environmental concerns & how to preserve our planet. The students were filled with zeal & enthusiasm, they responded wonderfully & gave a few amazing ideas. We explained to the children about rain water harvesting & "**Swachh Bharat Mission**". We also counselled students about their future goals & their interests. Children found this session very useful & interesting. We had a very productive conversation with the school principal & teachers, where we discussed the talent within students & basic issues of a small village school. This visit was extremely successful & it will leave a deep impact in the society.

**4. Participation in Gram Sabha under Chawsa and Dumehar Panchayat:  
May 01, 2022:**

Under the Unnat Bharat Abhiyan (UBA) program students of Jaypee University of Information Technology (JUIT) Waknaghat, Solan, participated in Chawsha village Gramsabha on 1st of May. The students were provided with college bus for transportation. They reached chawsha village around 1:30 P.M. in the afternoon and gathered at the Gram Panchat office where they joined other local villagers for gram Sabha. During this visit 10 students along with their faculty coordinators Dr. Gopal Singh Bisht and Dr. Saurav attended the Gram Sabha. The key point of the day's discussion were issues related to Below Poverty Line Subsidy (BPL). The discussion was held to identify which individuals have not received benefits from the BPL schemes and also to distinguish who actually belonged to the BPL category. The faculty coordinator of UBA addressed the Gram Sabha regarding Water Conservation Awareness and further issues related to organic farming. The villagers showed great participation in this event and thus the visit was successful.

## 5. Richhana Visit to interact with villager about water issues: May 27, 2022

Unnat Bharat Abhiyan (UBA-JUIT) went to Richhana Village for visit. This visit is done under the guidance of faculty coordinators of Dr. Gopal Singh Bisht & Dr. Saurav and active role was played by student coordinator Nishkarsh Sharma along with 3 other volunteer members. The team addressed the issues faced by the local villagers. It was found that right now the main issue for the villages was "Water". Water samples were collected for testing with an aim to provide solutions in the upcoming visit. After interaction with the villages the visit was concluded.

## 7. HAR GHAR TIRANGA CAMPAIGN by UBA Team: 12 Aug, 2022

UNNAT BHARAT ABHIYAN (UBA) JUIT Wagnaghat organized an Independence Day rally at Dumehar Village on 12 August in the morning. The campaign was conducted under the supervision of the Faculty and the Student Coordinators along with the members of the UBA. In this campaign, team visited nearby villages with Tiranga. Team sent a message to the people that we are one and reminded the strength and unity of this country. Young kids were distributed small flags to keep their spirits high and inherit the will we all share of protecting and respecting our country and our flag.

## 8. 75th Independence Day at Wakna Panchayat Gram Sabha: 15 Aug, 2022

UNNAT BHARAT ABHIYAN (UBA) JUIT Wagnaghat organized an Independence Day visit at Wagnaghat Village on 15th August in the morning. The campaign was conducted under the supervision of the Student Coordinators Stuti Roy, Varun Chodha along with the 3<sup>rd</sup> year and 2<sup>nd</sup> year UBA members. In this campaign students attended the flag hoisting done by the Wakna Pradhan followed by the national anthem. This visit reminded the people about the essence of independence and sheer will of sacrifice made in the past by our unsung heroes. People from the panchayat expressed their views on our independence and the sacrifices made for it by sharing their experiences.

Later they discussed the needs of the village and how UBA can help them in any way possible.

## 9. TREE PLANTATION DRIVE: 15 August 2022

The Unnat Bharat Abhiyan (UBA) JUIT Wagnaghat tree plantation campaign on 15th August 2022 at the Jaypee University of Information Technology (JUIT) campus was a resounding success. The collaboration between students, teachers, and the local community resulted in the planting of diverse indigenous trees both within the campus premises and in the surrounding areas. The active participation of Maj. Gen Rakesh Bassi (Retd.), the Registrar and Dean of Students, along with the presence of Vice Chancellor Prof. (Dr.) Rajendra Kumar Sharma, further highlighted the institution's dedication to environmental sustainability. The event's achievement laid stability to promote ecological consciousness and unity for a greener future through effective teamwork and participation.

## **10. Women's Empowerment and Hygiene Awareness program in Chawsa village: 28 August, 2022**

UBA team of JUIT attended the “Mahila Mandal Meet” and organized a Women's Empowerment and Hygiene Awareness program in chhausha village. The team held an interactive session to inspire the talented women and girls, fostering in them the desire to pursue their passions and stand out. The women had prepared handlooms, decorative items and hand-woven attractions to show a glimpse of their talent.

The important part of interaction is based on, the need of using fresh sanitary towels and verifying the expiration date before use. The issue was discussed in details with them. From this session we also learn how hardworking and talented these women are, and how beautiful are their work pieces. The great participation of women from Dumehar and chhausha is quite encouraging for us.

## **11. DOOR TO DOOR VILLAGE SURVEY (WAKNA VILLAGE): 05 October, 2022**

Unnat Bharat Abhiyan JUIT Wagnaghat organized a door-to-door survey in the Wakna village on 5 October 2022. They were divided into 2 teams. The first team went to the Wakna government schools to conduct a survey for their everyday needs and inquired about the working of the schools. The second team went door to door in the houses of the village to count the number of houses in the village and inquired about the working of the sarpanch, the number of family members and their day-to-day problems regarding electricity, water supply, road conditions and the different government scheme from which they are taking benefits were discussed. Further, all the problems were noted and forwarded to the higher authorities. With the enthusiasm of the members and the cooperation of the residents, this survey was a success.

## 12. ELECTION AWARENESS CAMPAIGN THROUGH NUKKAD NATAK: 09 November, 2022

UNNAT BHARAT ABHIYAN (UBA) JUIT Waknaghat at organized an Election awareness campaign at Wakna Village on 09/11/22 in the afternoon. The campaign was conducted under the supervision of the Faculty Coordinator Dr. Gopal Singh Bisht and the Student Coordinators along with the members of the UBA. In this campaign they interacted with the local people and made them aware of options like NOTA and convinced them how important their votes are for the country. They also performed NUKKAD NATAK's in the middle of the streets which highlighted the importance of voting. Through this NUKKAD they were able to reach a lot of people and aware them how important an election is.

### 13. FIELD VISIT TO WAKNA VILLAGE: 18 November, 2022

UNNAT BHARAT ABHIYAN (UBA) JUIT Wagnaghat organized a field visit to Wakna village on 18<sup>th</sup> November in the morning. The visit was conducted under the supervision of student coordinators Varun Chodha and Narendra Verma with a team of 5 students. The aim of this activity was to visit the primary and secondary schools located in Wakna village. The students held an interactive session with the school students along with teachers.

Various data were collected from schools and field visit. The team also focused on conducting any future activities in collaboration with the schools for the development of the students.

From this session we came to know about the problems related to the schools. Also, there was great participation from the students and teachers as well.

#### **14. Computer Literacy programme for village students in JUIT: 14 January - 05 February, 2023**

An interactive session of Students with computers has been initiated by university students of Jaypee University through the esteemed group of Unnat Bharat Abhiyan. The value in learning computer is evident with how important tech is in our world. These interactive classes were held with one main goal of spreading the knowledge of computers to all the children of nearby villages (VILLAGE UNDER UBA). The event was conducted under the guidance of our faculty co-ordinator Dr. Gopal Bisht along with Student co-ordinators and UBA team.

Eight such classes (12+ hours in total) have been successful with great response from children. The classes were held in the span of four weeks from 14<sup>th</sup> January,2023 to 5<sup>th</sup> February 2023. Basic topics were included in these sessions which included computer hardware, basic typing, file maintenance and organization MS-Word, MS-Excel, browsing the internet, email writing, privacy and license, computer troubleshooting etc. We received love, support, and great reviews from the students.

Our main purpose for conducting these classes is to give the basic knowledge about how Computer works and how Computer can bring people closer together using E-mail, Chatting, Videoconferencing and social media. It saves time, efforts and money compared with letters used, before evolution of computers in human life. If anyone must learn anything or has a doubt to be clarified in a learning process then they can easily search on Google.

From this session, we feel motivated towards teaching and giving right path to children. There is great participation from the villagers. And, if students are eager to attend more classes so we will conduct it in future as well.
