UNNAT BHARAT ABHIYAN

Report

26-09-2323 to 27-09-2023

REPORT ON UNNAT BHARAT ABHIYAN

The Mission of Unnat Bharat Abhiyan is a Central Government Program to enable higher educational institutions to work with the people of rural India through identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both public and private sectors in responding to the development needs of rural India.

Villages Adopted under UBA by Godavari Institute of Engineering & Technology

The five villages are adopted by Godavari Institute of Engineering & Technology, Rajamahendravaram under UBA

1. Kalavacherla – Rajanagaram Mandal
2. Diwancheruvu - Rajanagaram Mandal
3. Tungapadu - Rajanagaram Mandal
4. Srikrishnapatnam - Rajanagaram Mandal
5. Kanavaram - Rajanagaram Mandal

The UNNAT BHARATH ABHIYAN program was conducted in two days

FIRST DAY (26-09-2023)- FORENOON

The program is started with welcoming the guests to the dais. Principal Dr. P.MMS Sarma was addressing the gathering. UBA Regional Coordinator Dr. Pavani Bheseety conduct an Orientation program on Implementation of UBA. She explained about the whole idea of Unnat Bharat Abhiyan is that the educational institutions understand and participate in the development process by employing technologies in the rural areas and in turn students of the academic institutions and faculty members will enrich themselves. The concept is to enrich the academic and research program for the country. All-in-all, Unnat Bharat Abhiyan aims to create a vibrant relationship between the society and the higher educational institutions, with the latter providing the knowledge and technology support to improve livelihoods in rural areas and to upgrade the capabilities of both the public and private organizations in the society.

After Orientation, the program was closed by saying vote of thanks by Dean. Dr. K. Kusuma Kumari
