Activity 1: Distribution of umbrella for street hawkers

UBA team of Meerut Institute of Engineering and Technology, Meerut distributed 50 "Big Size Umbrellas" to the needy people and hawkers at Meerut city. Umbrella campaign is designed keeping this Summer and monsoon and kind of problems street side hawkers face with changing weather.

The motive behind doing such CSR activities under the banner of UBA is to bring smiles to the faces of needy people and distributing umbrellas is the part of CSR campaign.

Activity 2: Awareness program on Dengue at Nagla Jamalpur Village, Meerut

A Dengue awareness programme was conducted for the village people, Nagla Jamalpur village under the umbrella of Unnat Bharat Abhiyan. Dengue is the fastest spreading vector-borne disease in the world and many people are affected by this disease in India at present. Especially in villages due to lack of awareness many people suffer because of this disease and to create awareness amongst people, this programme was organized. Nearly 38 villagers participated in this programme.

Students of M.Pharma spoke about Dengue to the village people. Initially, the main reason and causes for the spread of Dengue was conveyed to the people in detail. They said that mosquitoes are the main cause of this disease and he insisted that keeping the surroundings clean is the only way to get away from Dengue. They also asked the people to clear the unnecessary wastes that were dumped near their houses.

As the rainy season has begun, there are lot of chances for water borne and other diseases to spread faster. Hence they advised the elderly people to be cautious always. This awareness programme helped the villagers to learn about Dengue and they promised to keep their surrounding clean for a Dengue-less community.

The poster features the 'mi'et logo at the top left, the National Service Scheme logo at the top center, and the Unnat Bharat Abhiyan logo at the top right. The main title is 'Small Bite Big Threat Dengue Awareness Program'. Below the title, a large mosquito is shown with four circular icons representing key messages: 'Search and Destroy Mosquito Breeding' (with an image of tires), 'Self Protection Measures' (with an image of a hand being treated), 'Say No to Indiscriminate Fogging' (with an image of a person in a blue uniform), and 'Seek Early Consultation' (with an image of a person on a stretcher). At the bottom, it states 'Organized by Meerut Institute of Engineering & Technology'.
