

Progress Report

1. We had participated in the Brainstorming and Interaction meeting scheduled in IIT Delhi (Sonipat Campus) on 13th-14th July 2023. It was a good interaction with participants from all other RCIs under Unnat Bharat Abhiyan.
2. As a part of RCI, we organised an orientation programme for all new and old Participating Institutes under IIT Madras-RCI region on 10th August.
3. We had participated in Gram Sabha conducted on the occasion of Independence Day in the village of Vallipuram.
4. As a part of Subject Expert Group-Solid Waste Management, we have been evaluating and reviewing proposals that were received during the month of June and July.
5. We also organised a webinar on Do's and Don'ts in a SEG-SWM proposal which was well received by PIs across India
6. We are planning to organise more such Hybrid-webinars on 'How to write proposals' under all SEG themes of UBA atleast one per month.
7. Apart from the above mentioned, we were and will be doing our regular activities of networking with NCI, other RCIs and our Participating Institutes for better implementation of the scheme. We have been attending Tribal webinars also.
8. We also have plans to work on cluster based problem solving idea, which would soon be tried with few of our Participating Institutes as a pilot case.
