Objectives of Event-

The objective of the event are as follows: -

- (a) To expound on children's marriage and lack of access to quality education.
- (b) To enhance participation of children and women, ensure their empowerment.
- (c) To provide safety to give girl children by increasing girls access to education and rights.

Report of the event-

GIPS has organized an awareness program under the campaign of Unnat Bharat Abhiyaan in association with social clubs. Awareness campaign was created among the students of government school at Pipal Ka, Salempur Gurjar regarding girl's early marriage and higher education. Students of GIPS from all the streams presented nukkad natak on how early marriage impacts physical and mental health.

The event was well coordinated and successful under the profound guidance of our Principal Prof. (Dr.) Savita Mohan.

The outcome of the Event-

The outcome of the event are as follows: -

- Awareness program will help in educating children regarding negative influences of girls' early marriage.
- It will help in increasing knowledge with respect to girl's education.
- It will help in building strong community.
