Gram Sabha Held Under Unnat Bharat Abhiyan (UBA)

A Gram Sabha was organized by the UBA team of the college in Government Middle School Hukhlatri on 8th of December 2022. UBA is a flagship program of Department of Education GOI. Under this programme higher educational institutions are selected (both public and private) to adopt, villages for their development. IIT Delhi has been designated to function as the National Coordinating Institute for this program. Institutions have been assigned to base rural development in sustainable knowledge solutions.

Our College has adopted following villages for the said purpose

1. *Dadina*
2. *Hukhlatri*
3. *Paharthan*
4. *Danas*
5. *Lassipora*

The objective of the Gram Sabha was to fill the communication gap between the community and the concerned administrative departments and to appraise the departments of the different developmental lags faced by the villages.

The Incharge officer
 Gram Sabha village
 Hukhlalsi.

Esteemed Sir,

with good respect and highness that we
 want to draw your kind attention towards
 the following few lines.

That we the habitants of village Lassipora
 have the following problems.

1. Requirements of Primary health centre.
2. Magdamisation of road from Parisabad to Lassipora.
3. Renovation of LT line.
4. Playground for Youth's.

That our villagers have the above mentioned
 problems, therefore your goodness is requested to
 sort out the problems.

Yours faithfully,

Key representatives from the adopted villages attended the Gram Sabha. Sarpanch and other members of the Panchayat raised some much needed issues in the Sabha. Chairman of Block Development Council also attended the meeting and emphasised the importance of such programs in sensitizing the administration of the important issues at the grassroots level. Officers from the Department of Health such as from BMO office Beerwah and MO office Budgam attended the meeting. Officers from Department of R&B also joined the meeting. The main issues raised were with regard to lack of adequate health facilities and road facilities in the adopted villages.
