## **Cleanliness Drive**

As part of the Unnat Bharat Abhiyan, the NSS Cell orchestrated a Cleanliness Drive in collaboration with 40 student representatives at Amb Village. With utmost diligence, they undertook the task of tidying the surroundings, accompanied by a comprehensive outreach campaign aimed at enlightening the local community about the indispensable significance of cleanliness. Conducting such drives is imperative as they instill a sense of collective responsibility, enhance sanitation norms, and cultivate a healthy environment for all involved.

Students were elated at the fact that they have taken this positive step by visiting the Amb Village and making the environment clean.
