Academic Year 2022-23

1.EXTENSION ACTIVITY AT AIRAPURAM VILLAGE- TWO-DAY VILLAGE HALT AND PUBLIC HEARING - LEGAL AWARENESS AND LEGAL AID CLINIC

THE INTERNAL QUALITY ASSESSMENT CELL (IQAC), UNNAT BHARAT ABHIYAN (UBA) AND NATIONAL SERVICE SCHEME (NSS), SREE SANKARA VIDYAPEETOM COLLEGE, VALAYANCHIRANGARA, ERNAKULAM AND THE COCHIN UNIVERSITY LEGAL AID CLINIC (CULAC), IN ITS ENDEAVOR TO SPREAD LEGAL AWARENESS AMONG THE COMMUNITY AND TO ANALYZE, STUDY AND PROVIDE REDRESS TO THE GRIEVANCES FACED BY RESIDENT HAD, ORGANISED A 2-DAY VILLAGE HALT AND PUBLIC HEARING AT IRAPURAM VILLAGE ON 28.08.2022 AND 29.08.2022

In the two-day programme, the volunteers of CULAC and NSS and UBA, SSV College, along with faculty coordinators worked as a team to disseminate necessary legal awareness among the community and took efforts to provide redressal to the grievances faced by the

local community. The volunteers carried out surveys to identify socio-legal issues faced by the residents of Airapuram village and legal awareness classes were held at the college with active public participation. Further, a public hearing was conducted where the attendees raised several of the issues faced by them and the committee provided appropriate legal advice.

The volunteers of CULAC along with student volunteers of NSS surveyed eighty-one households in Airapuram Village. Two pre-identified socio-legal issues, namely 1. Lack of knowledge about government programmes and 2. Problems related to guest labour, were the focus of a survey that was done by volunteers. The survey was conducted to study and analyze the position of these issues in the village. Another survey was conducted in the village to identify problems to be discussed in the public hearing.

Further, on 28-08-2022, a legal awareness class was conducted about law generally and specifically on the following topics:

1. Domestic violence
2. Child sexual harassment and Child abuse
3. Child marriage
4. Rights of the elderly/senior citizens
5. Dowry Prohibition and Matrimonial Issues
6. Various Government Schemes
7. Helplines and Redressal Mechanisms

There was active public participation and most of the attendees expressed great interest and provided feedback that the classes helped them gain awareness about several legal provisions, government schemes and redressal mechanisms.

On 29.08.2022, a Public Hearing was conducted on the issues identified through the survey conducted by the volunteers. The major issues faced by the villagers were; 1. Lack of awareness about legal aid and, 2. Poor access to welfare schemes and redressal mechanisms.

The Hearing was presided by the three-member committee consisting of:

1. Dr. Binumole K, Faculty Co-ordinator
2. Mr. Babukuttan, Retired Tahasildar and a social worker
3. Mrs. Praseela Ashokan, ADS Secretary, Airapuram.

In the hearing, some of the attendees raised problems about issues such as nuisance, delay in grant of benefits of welfare schemes etc., and the committee provided appropriate legal advice to the aggrieved in order to assist them avail quick redress. The Right to Information Act of 2005 and the rights granted to individuals under the Act were explained to the audience. Additionally, provisions dealing to the maintenance of parents, wives, and children under the CrPC and other laws were introduced.

A survey among the villagers about their educational qualification revealed that nearly 86% of them had completed their matriculation.

The major inference from the survey and public hearing is that the residents lacked basic legal awareness and had little interest in becoming cognizant about law and personal rights. Most of the surveyed individuals showed no interest in learning about legal provisions and the redressal mechanisms available and they showed reluctance in answering to the questions related to migrantworkers. The survey also pointed that residents faced huge delay in availing benefits of welfare scheme due to complex application procedures and difficulty to follow up on any of their requestsor applications.

However, it is important to note that the villagers who attended the class were highly attentive andshowed great interest in becoming aware of basic legal provisions and the helpline channels and redressal mechanisms. The resident's association (CARA) expressed their interest in hosting such legal awareness classes to impart legal awareness among the community.

Feedback showed that the attendees had gained cognizance of the several channels and mechanisms available and the services provided by legal services authority and legal aid clinics. The attendees expressed their acceptance towards these instrumentalities and conveyed that they shall approach and make use of the services available to avail remedy.

The camp ended by 5 PM with the valedictory session

Class on Various Government Schemes by Rekhi S, Student Co-Ordinator

Class on Child Marriage

Legal Aid Clinic-Public Hearing

2. TRAINING ON BIO FERTILIZER MAKING AND ORGANIC FARMING

The programme was organised by the Organic Club, National Service Scheme and Unnat Bharat Abhiyan of SSV College in association with Mahila Kisan Swashaktheekaran Pariyojan(MKSP), Eranakulam, and Kerala Institute of Local Administration-KILA. As per the MKSP scheme, a group of 10 females are given training on bio fertliser making and provide 25 mud baskets and vegetable saplings at free of cost. The college has formed six such groups and organised this programme. The training started at PNN Hall at 11 am and ends at 1pm. The practical traing and preparation of bio fertliser started afternoon and the NSS volunteers helped in mixing and filling of mud baskets with bio fertlisers. The principal inaugurated the farming by planting the saplings. Sixty college staff, 14 members of kudumbasree and 42 volunteers participated in the programme. The watering and maintenance of vegetable garden entrusted to NSS volunteers and a team of organic club. The programme concluded by 4.30 pm.

4. Medical Testing Camp at Irapuram Village

The college UBA cell, NSS, Redcross, YRCS in association with ‘Muthoot Snehashraya’ conducted a free blood-urine testing camp at Irapuram village for the beneficiaries .The principal Dr.Sheena Kaimal N has inaugurated the camp by giving her blood for the test.. The camp was organised with the help of ‘Muthoot Snehashraya’, the CSR initiative of ‘Muthoot Finance Company Ltd’, a well-known NBFC in India.

This camp was conducted in the light of the demand from the ward member Sri.K.P.Vinodkumar and he has directed the beneficiaries to use the facilities offered in the camp. Around 100 villagers tested their blood to know HB level, Sugar level, BP, Creatine, Cholestrol and their urine were also tested. The result of the test was distributed at 3.30pm onwards. This camp really helped villagers to know their presents Physical condition. A booklet containing measures to be taken to avoid diseases was also supplies along with the lab results.

Medical Testing Camp in association with Muthoot Snehashraya- Inauguration by Principal

These are the activities conducted by the UBA in SSV College during the academic year 2022-23.
