Environmental Education Awareness Program on 23 May, 2023:

Jayoti Vidyapeeth Women's University, Jaipur conducted Community development Activities under Unnat Bharat Abhiyan at Jharna Village where students along with their mentor teachers conducted Environmental Education Awareness Program in adopted villages to encourage people to keep water for the animals and birds in summer season. They also kept pots filled with water at different places for birds and animals and also distributed birdhouses made from waste materials to the people and advised them to hang these houses in their houses so that birds can make their nests or find a safe place to live during summer season.

Waste Management & Cleanliness Drive 18-19 May, 2023:

University conducted two days Waste Management & Cleanliness Drive on 18-19 May, 2023. Under this students and staff members learnt to prepare paper from the waste paper and how to handle paper making machine. From the waste papers, they prepared Handmade Paper Sheets and converted them to Paper bags, file folders and beautiful bird houses. These two-day activities started from 18th May where students participated in making handmade paper sheets, paper bags and bird houses from waste material/items. These bird houses were hanged on the trees all over the campus of the University, so that birds could take shelter in these houses.

In a significant stride towards promoting sustainability and combating paper waste, University has developed a groundbreaking recycling process Under University Startup Centre- Punar Janam that converts paper waste into high-quality paper. This technique marks a remarkable achievement in the field of recycling. By harnessing the potential of paper waste, we can significantly reduce our ecological footprint while simultaneously meeting our paper needs.

International Day of Yoga (19.6.2023-21.6.2023):

Jyoti Vidyapeeth Women's University organized a weeklong celebration for International Yoga Day starting from 19.6.2023.
