**Celebration of World Breast feeding week (August 1st to 7th august
2022)**

Theme of 2022: Step up for Breastfeeding: Educate and Support”

Mamatha Medical college, Department of Community Medicine celebrated “World Breast Feeding Week programme” at Sub Health Centre - Raghunadhapalem, with a view to encourage the breastfeeding practices among lactating and feeding Mothers as part of Nutrition, Health and to create emotional bond between mother and child.

Programme began with awareness rally by undergraduate MBBS students and staffs followed by poster demonstration on importance of breast feeding. Lactating mothers shared feeding practices. Importance of immunisation was explained to the mothers in the programme.

Auxiliary Nurse Midwifery, ASHA workers from subhealth centre, MBBS students, Lactating mothers with their young ones and Rural Health centre Staffs were actively participated in the programme. ANM and ASHAs were praised for their services in the field of health.

Successful event was planned and executed by Dr.Nithesh Kumar-Professor, UBA Coordinator & Soumya (MSW) Department of community medicine Mamata medical college
