JAYA ENGINEERING COLLEGE - C-16577

Thiruninravur, Chennai 602024

Report of activities under UBA 2022-2023

Our college got selected as one of the Participating Institute under UBA, a flagship program of the Ministry of Education (MoE), Government.

With the District collector consultation we are selected the cluster of five villages.

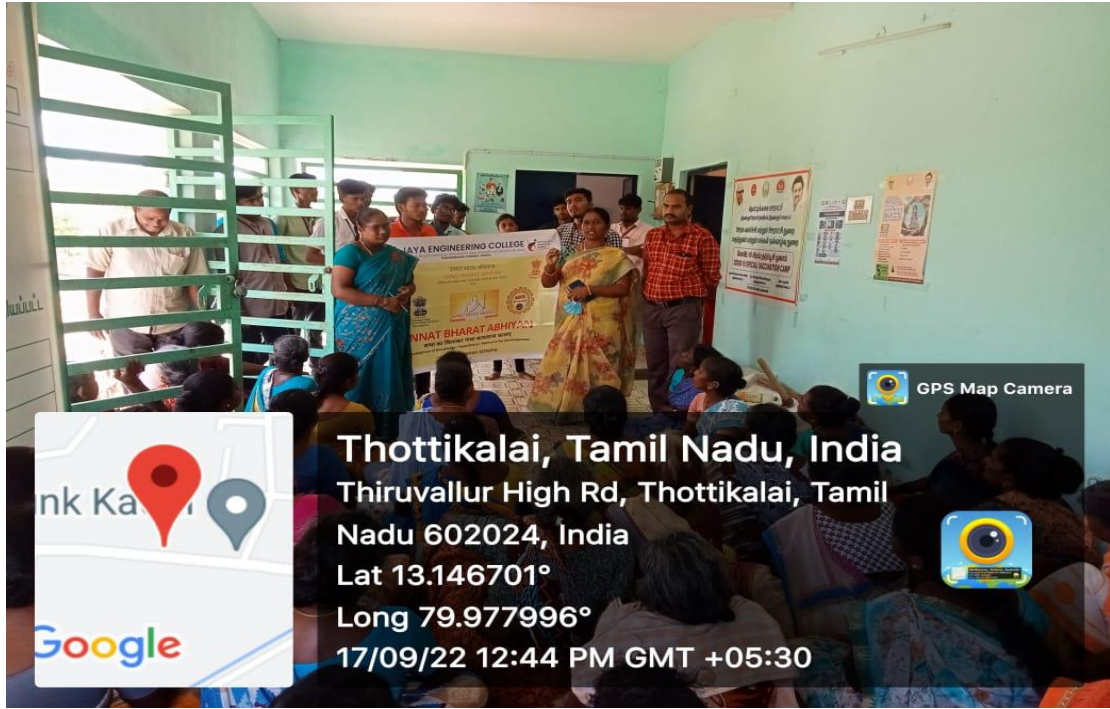

1. Thottikalai village
2. Vadhattur village
3. Nallangavanur (sivanvoyal) village
4. Karrikalavakkam village and
5. Punnapattu village

We conducted several activities in the villages under UBA banner.

1. Village survey:

On 17/9/2022, UBA student volunteers from our college along with faculty members and college UBA coordinator visited thottikalai village and other four villages. Our student volunteers had interaction with village peoples to explain the significance of UBA programme and motivated them. They were tried to identified their livelihood problems and possible solution,hygienic living conditions ,environment protection.

2. Gramma Saba meeting

On 26/1/2023 Republic day- Gramma saba meeting was conducted in the sivanvoyal village gramma panchayat at which our college student UBA volunteers with faculty member actively participated.

During the meeting people of the village addressed the major issues related to basic amenities, infrastructure and children's education. We get new experiences and gain of social knowledge.

3. Tree Plantation

3.Education Motivation

Our college UBA team conducted motivation drive for the adopted village students. When students are motivated they will be more positive and energetic in the classroom and toward their learning.

4. Future work for 2023-2024

Our JEC UBA is currently working to transform the cluster villages in to a network of smart and sustainable communities through skill development programs.
