S.No	ADOPTED VILLAGES
1.	Sher Khanwala-132
2.	Chuchakwind-356
3.	Ferozshah-153
4.	Hardasa-368
5.	Walhoor-128

Under **Unnat Bharat Abhiyan** our college has organized various awareness campaigns on Environmental and Social Issues in these villages like **Plastic Ban Campaign, Awareness Lectures, helmet rally etc.** The college has been doing many activities to serve community and society and for rural upliftment. This is a step ahead to bring positive changes in these villages.

**Objective of the scheme are:**

- To Engage faculty and students in understanding rural realities.
- To Identify and select existing innovative technologies, enable customizations of technologies or devise implementation methods for innovative solutions as required by the people.
- To contribute in devising systems for implementation of various government schemes.

**Mission:**

Unnat Bharat Abhiyan strive to Select suitable rural villages and effectively participate in the holistic development of these villages using eco-friendly sustainable technologies and local resources creating sufficient opportunities in this process.

## List of Activities for the session 2021-2022: -

### 1. Van Mahotsav Celebrations

**Objective:** To urge students and staff to plant more and more trees to create a healthy atmosphere around us and educate them about the benefits of protecting the 'GREEN' around us.

**Dated:** July 1, 2021

Union Environment Minister Prakash Javadekar on July 1, 2021, kickstarted the week of Van Mahotsav 2021 with the plantation of Parijat sapling in New Delhi. On Van Mahotsav, he urged people to plant more and more trees to create a healthy atmosphere. On Van Mahotsav, he urged people to plant more and more trees to create a healthy atmosphere. He said, "India has taken a target of creating additional 2 billion carbon sequestration by 2030."

Dev Samaj College for Women under the patronage of Chairman Shrimaan Nirmal Singh Ji Dhillon and Principal Dr. Ramnita Saini Sharda kick-started the Van Mahotsav Week by collaborating with the prestigious NGO of our city "The Mayank Foundation" which has been tirelessly working to promote tree plantation. They happily agreed to donate 100 saplings to our college. Mr Deepak from Mayank Foundation visited the campus with his team and was received by the college authorities. Pots had already been dug under the supervision of Mr. Suminder Singh Sidhu, UBA Coordinator DSCW and ready for the saplings to be planted. The staff and NGO members planted the saplings around the college campus and watered them. The contribution of the college gardening team didn't go unnoticed and their efforts were applauded by the administration. The local news channel covered the event and recorded bytes from the event participants. The activity concluded with a cup of tea and sharing of some light moments. Shrimaan Nirmal Singh Ji Dhillon sent his blessings and congratulations to the UBA CELL DSCW for the successful completion of the activity and urged the students to keep up the good work they are doing to protect the greenery and environment.

## 2. World Tourism Week Celebrations

**Objective:** To create awareness among the students on how tourism affects social-cultural, political and economic values globally and the role of tourism within the international community.

**Date:** 21<sup>st</sup> September, 2021

The UBA CELL DSCW under the patronage of Shriman Nirmal Singh Dhillon and Principal Dr. Ramnita Saini Sharda conducted an activity during the International World Tourism Week in collaboration with the Department of Hospitality and Tourism. The activity was requested by Mr. Kushal Singh, Head of HTM, and arranged by UBA Coordinator Mr. Suminder Singh Sidhu. The activity as a one-day event during the Tourism Week was regarding importance of environment and greenery for the growth and sustenance of tourism in Punjab. A trip was organised to one of the adopted UBA village- Ferozeshah. The Sarpanch had been contacted beforehand who got in touch with the Principals of Government Sen. Sec. Schools Ferozeshah to make arrangements for the event. 100 saplings had been procured from the Forest Department, Ferozepur for plantation at Ferozeshah government schools. 2 vans and a total of 45 students went to the village accompanied by UBA team and HTM Department. The college team was welcomed by the sarpanches and school administration. A seminar was organised by the school authorities for the students to educate them about environment and its connection with tourism. Speakers at the seminar included the principals of the school, the Sarpanch of the village, the UBA team, the HOD Department of HTM and the college students. After the Seminar the students planted the saplings around the school campus and around the village. The students were very happy to become part of the activity after a long gap of COVID-19 Lockdown. The school authorities were generous enough to arrange tea and samosas for the college team after the activity. A green memento exchange was done with the authorities to mark remembrance of the event which included exchange of plants.
